Finance (cont'd)

Repairs needed at the Cultural Center from Planera Architects was tabled until further investigation.

Alderman Manousopoulos moved, seconded by Alderman Wosczyński, to direct Attorney Kathleen Field Orr to investigate a Business District designation on Baymont at 510 East End Avenue and report back to the city council.

Alderman Schneider gave an explanation on the status of the Calumet City Chargers receiving a \$2,500 grant.

Alderman Wosczyński moved, seconded by Alderman Williams, to refer back to the motion on the agenda at the September 11, 2014 city council meeting.

The Finance Committee meeting adjourned at 7:01 p.m.

Public Safety

Alderman Manousopoulos: "The Public Works Committee meeting was held on November 12, 2014. A report will be completed and forwarded to the City Clerk's office."

Public Utilities

Alderman Jones had no report. "I would like to clear up a statement that was made at the last council meeting about committee meetings.

It was a statement made that there was no committee meetings held by myself. Not only of course was this correct but as Chairman of each committee we all get a specific amount. In researching the record no aldermen held any committee meetings. I just want to make sure that the record is clear that we had almost 11 special meetings. We had estimated four committee of the whole meetings. No aldermen called any regular meetings until recently.

I wanted to clear the record up that was said at the last meeting and commented on by Alderman Munda making assertions about meetings but the record should be clear on that. We all have a duty to call these meetings. I wanted to make sure that the record is clear on that. Thank you."

Ord. & Res.

Alderman Collins had no report.

H.E.W.

Alderman Williams had no report.

Permits & Licenses

Alderman Schneider had no report.

Public Works

Alderman Munda: "We are working diligently through the leaf program and public works will continue to pick up the leaves until snowfall. Residents are encouraged to pay attention to the dates on the leaf truck in the area.

The public works department is also working on tree branches, brush piles and alleyways. Contact them at (708) 891-8160 for those services."

CITY COUNCIL REPORTS

Mayor's report

Mayor Michelle Markiewicz Qualkinbush: "I would like to announce that this morning we had the ribbon cutting ceremony on our new State Street Combined Sewer Pump Station. The station has been completely over hauled to handle any excess water from the MWRD system during large rain events.

I think the last pump station was probably over 100 years old. The final cost of the project was approximately 3 million dollars. The city used combined TIF monies, sewer monies and a \$750,000 IKE grant. So there is no outstanding debt on the completion of this project which the city is very proud of.

I would like to thank City Clerk Figgs, City Treasurer Tarka, Commissioner Billy, Foreman Gerry, City Engineer Ernest and other department heads who attended this morning. For those elected officials that haven't seen it, I recommend that you get in touch with them and take a look at it. It is something to see. It is certainly state of the art and it is exciting that we were able to now complete the water pump station but the sewer pump station.

Speaking of Target that the gentlemen spoke of earlier this meeting. Everyone knows by now that Target has announced that they are closing on January 31, 2015. I want our residents to know that the city has done everything it can not only to attract that Target to his city and keep that business here.

The City Council gave them a liquor license last year. They said they needed that to be competitive, so we did that. We have done everything we could. Unfortunately, all I can say is that we were the first Target built probably 20 years ago. Target has built 17 other locations since our location was built.

When you build 17 locations within driving distance of Calumet City and I would say probably four of them within short minutes of Calumet City. I don't know what Target thought was going to happen. Basically I think they have cannibalized there own business.

It is unfortunate because we did get them incentives to locate here. This city council and city have done everything we can to keep them here. Unfortunately they have blamed declining sales which if you have 17 other locations that people can drive too what did they think was going to happen.

Mayor's report - cont'd

The Economic Development Department is on this. It is important to us as the gentlemen stated earlier this evening. We are very concerned about businesses closing. Many times it is corporate decisions that clearly they don't care what the city has done for them in the past nor did they come and say if there was anything possibly more to keep them.

I previously met with the previous manager and the new manager. I know Alderman Collins has had conversations with them also. Apparently this decision was made high up in the corporate level. It is unfortunate that they don't get to know the towns and how the local residents are hurt their actions and how they conduct their business.

I would also like to thank American Legion Post #330 and VFW Post #8141. City Clerk Figgs, City Treasurer Tarka, Alderman Williams for joining and being part in the first annual Hammond Veteran's Day parade.

Many veterans participated. We thank them. They either rode on the float or marched with us this past Saturday, November 8, 2014. Thanks to all who participated in that event.

Also thank you to American Legion Post #330, VFW Post #8141 and the Lansing Honor Guard who had their Veteran's ceremony at the corner of River Oaks Drive and Wentworth, which is the site we believe is the very first Vietnam Veterans Memorial in the nation.

I would like to thank all those veterans and residents who came out for that event. Thank you to Congresswomen Robin Kelly, State Representative Marcus Evans, State Representative Elgie Moore, Commissioner Stanley Moore, City Clerk Figgs, City Treasurer Tarka, Alderman Munda and Alderman Wosczyzski for being presented.

City Treasurer was also the master of ceremony. Gerry great job. The event was very nice even though it was very, very wet and it rained sideways into the tent. But it was a nice event to honor our veterans. Thank you."

City Treasurer - report

City Treasurer Tarka: "Thank you Mayor. I just wanted to direct the City Council to item #7G on the agenda. One of the priorities of the Treasurer's Office is keep any potential risks to city bank funds at a minimum. This new program that we have implemented is called Positive Pay.

Simply stated we produce a list of check numbers that have been used in a payroll run or an accounts payable run of checks and submit them to the bank prior to distributing those checks and whose number doesn't match up with the number on the list that we have provided them we are contacted and must sign off on that check before it is cashed by the bank. Check fraud remains the number one type of bank fraud that is being perpetrated. Positive pay on both of our payroll and accounts payable accounts eliminates this on these two major clearing account funds. I have provided a detailed explanation in the form of a power point presentation.

City Treasurer (cont'd)

As always if any of the council needs any edification on this program I would be more than happy to address them.

On a lighter note, I had a great time with our Calumet City veterans at the Hammond Veteran's Day parade. It was the first annual and was a nice event. As the Mayor already stated.

Thanks to all who have braved the wind and rain to attend the veteran's day ceremony at the Vietnam Veteran's Memorial at Wentworth and River Oaks Drive. It was a nice tribute. Thank you."

Livestrong not only contacted me and their statement was and I will forward to the City Attorney and the Mayor. Livestrong not only encourages people who don't get permission to use their organization in any likeness that they want too. When I am wrong I will definitely say that I'm wrong.

Livestrong sent that email and letter to me stating that they encourage organizations during breast cancer month to not only if they don't get permission to use their likeness as well. I will forward to the Mayor and City Council. I wanted to make sure everyone is aware of that. Livestrong hopefully will come out and support some of the programs that we do in Calumet City.
