- On April 15, 2019, the Calumet City Police Dept. executed a search warrant at this location and the business was closed as a result of this case and the agent/manager (who is the brother of the owner of the property) was charged with possessing and selling cannabis (11 lbs.) and selling cigarettes with improper tax stamps.
- Motion to deny or restrict any business to operate at this location pending the thorough investigation into the character of the new applicant applying for the new business license. (Section 54-35 of the municipal code)
- Direct the City Attorney to research an ordinance amendment stating that if a business license is revoked, the same or similar type of business cannot be operated at that location for one year.

- Business license was issued in error without filling out business application properly
- Reapplied for a license which was denied as zoning does not allow for this type of business
- Motion to order this business to vacate from property within 10 days.
- Ord. 18-14 provides that a business license shall not be issued for the conduct of any business if the property does not fully comply with all requirements of the City, including indebtedness owed to the City.
