A RESOLUTION APPROVING A CLASS 6B (SER) REAL ESTATE TAX ASSESSMENT CLASSIFICATION FOR THE PROPERTY LOCATED AT 414 STATE STREET WITHIN THE CITY OF CALUMET CITY, THORNTON TOWNSHIP, COOK COUNTY, ILLINOIS (MEATS BY LINZ, INC.)

WHEREAS, the City of Calumet City, Cook County, Illinois (the "*City*") is a home rule municipality pursuant to Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs (the "*Home Rule Powers*"); and

WHEREAS, the President and Board of Commissioners of the County of Cook have enacted an ordinance known as the Cook County Real Property Assessment Classification Ordinance, as amended from time to time (the "*Classification Ordinance*"), which allows for various real estate tax assessment classifications as an incentive to encourage industrial and commercial growth within the County of Cook in order to create job opportunities and expand the tax base; and

WHEREAS, Cook County has amended the Classification Ordinance to establish a Class 6B SER Sustainable Emergency Relief Tax Incentive classification which provides the applicant a reduction in the assessment level for industrial enterprises demonstrating economic hardship; and

WHEREAS, an owner of property within the corporate boundaries of the City has requested that the Mayor and City Council of the City of Calumet City (the "*Corporate*

8C1
Regular Meeting 10/26/17

Authorities") approve a Cook County Class 6B SER Real Estate Tax Assessment Classification (the "*Class 6B SER Classification*") for said property; and

WHEREAS, the adoption of a resolution by the Corporate Authorities is required and must be filed by the requestor along with an application for said incentive with the County of Cook in order for the property to be eligible for a Class 6B SER Classification; and

WHEREAS, B & F Holdings LLC (the "*Applicant*"), is the owner of certain parcels of property within the City that are commonly known as 414 State Street, Calumet City, Illinois and identified by the permanent index numbers and legal description set forth in *Exhibit A*, a copy of which is attached hereto and made a part hereof (the "*Property*"); and

WHEREAS, the Applicant is seeking the Class 6B SER Classification in order to alleviate the financial constraints they are experiencing in light of the spending needed to maintain the aging structure on the Property, such as the need for tuck pointing as well as the need to upgrade the parking lot and enhance the water intake infrastructure in order to aid in Applicant's production; and

WHEREAS, the Applicant and its affiliate Meats by Linz, Inc., is also proposing to invest approximately \$1.5 Million Dollars into the Property as well as increasing the number of staff, the viability of such redevelopment being dependent on the eligibility of the Property for a Class 6B SER Classification; and

WHEREAS, the Corporate Authorities find that the sustainment of the industrial business on the Property will only occur if the Class 6B SER Classification is authorized so as to continue its operations at its current location and maintain its staff and without such designation the Applicant's and that of its affiliate Meats by Linz, Inc. business would not be economically viable causing the Property to be in imminent risk of becoming vacant and unused; and

WHEREAS, to help alleviate financial hardship, to promote industrial growth, to create new employment opportunities within the City and to expand and further diversify the tax base of the City, the Corporate Authorities declare that it is necessary and in the best interests of the City to approve the Class 6B SER Classification for the Property, pursuant to the Classification Ordinance; and

WHEREAS, the Corporate Authorities hereby request that the President and Cook County Board of Commissioners of the County of Cook concur with the findings of special circumstances by the City and authorize the Class 6B SER Classification for the Property.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Calumet City, Cook County, Illinois, by and through its Home Rule Powers, as follows:

Section 1. That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

Section 2. The Corporate Authorities find that the financial hardship and special circumstances of the Applicant and Property necessitate the Class 6B SER Classification and without it the Property will become vacant and underutilized causing the exasperation of blighted factors within the area surrounding the Property.

Section 3. The Corporate Authorities find that the Class 6B SER Classification incentive program established by the County of Cook is necessary for the maintenance and redevelopment herein contemplated to occur on the Property, which is the subject of this Resolution.

Section 4. The Corporate Authorities find that the Property is qualified for the 6B SER programing and support and consent to the filing of a Class 6B SER Tax Assessment Incentive Eligibility Application by the Applicant or its affiliate Meats by Linz, Inc. for the Property, which is herein legally described.

Section 5. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity thereof shall not affect any other provision of this Resolution.

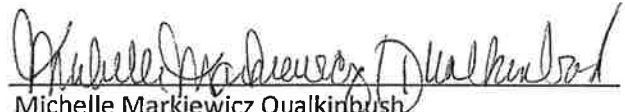

Section 6. All ordinances, resolutions, motions or orders in conflict with this Resolution are hereby repealed to the extent of such conflict.

Section 7. This Resolution shall be in full force and effect upon its passage, approval and publication as provided by law.

ORDINANCE NO. 17-30

AN ORDINANCE DECLARING THE CITY OF CALUMET CITY, COOK COUNTY, ILLINOIS, A FAIR AND EQUAL CITY FOR IMMIGRANTS

WHEREAS, the City of Calumet City, Cook County, Illinois (the "City") is a home rule municipality pursuant to Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs (the "*Home Rule Powers*"); and

WHEREAS, the preservation of civil rights and liberties is essential to the well-being of a democratic society; and

WHEREAS, federal, state and local units of government must protect the rights and liberties of the public and strive to ensure that public safety is upheld and services rendered without impairing constitutional rights or infringing on civil liberties; and

WHEREAS, the Mayor and City Council of the City of Calumet City (the "*Corporate Authorities*") understand that the City has a diverse population and realize that all residents of the City contribute to the community and are vital to the economy, culture and civic character of the City; and

WHEREAS, the Corporate Authorities value all residents of the City, whether they be citizens, legal residents or undocumented, and desire that they live free from discrimination, exploitation and fear of illegal immigration practices; and

WHEREAS, to this end, the City is dedicated to providing all of its residents with fair and equal access to the services and programs of City government; and

WHEREAS, conditioning the provision of benefits, opportunities and services on citizenship or immigration status or inquiring about such status in the course of such provision contravenes the City's commitment to ensuring fair and equal access for all of its residents; and

WHEREAS, as a matter of public safety, the protection of an individual's citizenship status will engender trust and cooperation between law enforcement officials and immigrant communities, which will aid in crime prevention, including human and drug trafficking, prostitution, domestic and gang violence, and will discourage the threat of immigrant and racial profiling and harassment.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Council of the City of Calumet City, Cook County, Illinois, by and through its Home Rule Powers, as follows:

Section 1. That the above recitals are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

Section 2. The Corporate Authorities affirm their strong support for the protection of the constitutional rights of all residents of the City and oppose any government action that deprives an individual of their fundamental civil liberties.

Section 3. The Corporate Authorities affirm their strong support for the rights of immigrants and oppose measures that single out individuals for legal scrutiny or enforcement activity based on their country of origin.

Section 4. In order to assure that all residents of the City, regardless of race, religion, ethnicity, national origin, citizenship, or immigrant status, feel secure, safe and have confidence in City government, no City department shall condition the provision of a City program, service or benefit on matters directly related to an individual's race, religion, ethnicity, national origin, citizenship or immigration status, except as provided below or when otherwise required by law,

but may, in the course of determining eligibility for such or to seek reimbursement from a state, federal or other third party payer, inquire about race, religion, ethnicity, national origin, citizenship, or immigration status for the purpose of such a determination or receipt of reimbursement from said sources.

Section 5. The police department shall refrain from racial profiling and shall not utilize race, religion, ethnicity, national origin, citizenship, or immigration status as factors in selecting which individual to subject to investigatory activities, except when seeking to apprehend a specific suspect whose race, religion, ethnicity, national origin, citizenship, or immigration status is part of the description of a suspect. The police department shall further refrain from any practice of stopping drivers or pedestrians for the sole purpose of scrutinizing their identification documents without particularized suspicion of any criminal activity, as provided by law.

The police department will process U Visa certification requests submitted on USCIS Form I-918 Supplement B after receipt of a properly completed USCIS Form I-918 Supplement B, submitted by or on behalf of individuals claiming to be eligible for a U Visa. The police department's determination whether to sign or deny signing a certification request will be communicated in writing to the requester. A determination by the police department to sign a certification will be accompanied by a properly signed USCIS Form I-918 Supplement B.

Section 6. That, except when otherwise required by law, where presentation of an Illinois driver's license or Illinois identification card is accepted as adequate evidence of identity, the presentation of a foreign passport or matricula consular (a consulate-issued document) shall be accepted as proof of identity and shall not subject the individual to a higher level of scrutiny or different treatment than if the person had provided an Illinois driver's license or Illinois identification card. This section shall not apply to any law enforcement matter, state or federal

form, or identity verification for purposes of employment with the City, for those paid for services of the City, or for contractual or legal obligations of the City.

Section 7. No City service or program shall be denied on the basis of citizenship unless required by law. City employees shall not inquire into the race, religion, ethnicity, national origin, citizenship, or immigration status of any individual unless required by law. Any application, questionnaire, and interview form used in relation to a City benefit or service shall be promptly reviewed by each department and any question requiring disclosure or information related to race, religion, ethnicity, national origin, citizenship, or immigrant status, other than those permitted by this Ordinance to require the disclosure of such information, or otherwise required by law, shall be, in the best judgment of the department, either deleted in its entirety or revised such that mandatory disclosure is no longer required, provided that City employees follow all City, state and federal laws and guidelines to assess eligibility for services or programs. Such review and revision shall be completed within ninety (90) days of the passage of this Ordinance.

Section 8. The City recognizes that U.S. citizens of undocumented parents have the same rights to public benefits as all other U.S. citizens. Undocumented parents shall be permitted to apply on behalf of their citizen children for any City benefit or program for which their children are eligible, and such parents shall not be discriminated against or in any way treated differently by City employees.

Section 9. That no City department or employee shall deliberately disclose information regarding the immigration status of any person unless required to do so by law or if such disclosure is permitted by the individual to whom such information pertains, or if such individual is a minor or is otherwise not legally competent, by such individual's parent or guardian.

Section 10. No department within the City shall support a request by federal authorities that, if granted, would cause any department of the City to exercise powers or cooperate in the exercise of powers in violation of any law of the City, the State of Illinois or the United States of America.

Section 11. Written complaints of a violation of this Ordinance shall be received and investigated by the Calumet City Department of Professional Standards in accordance with such complaint processing procedures established by said office. Complainants and witnesses shall not be asked to provide their citizenship, immigration, or residency status at any point during the complaint process, and no investigation of the citizenship, immigration, or residency status of the complainant and witnesses shall be made by the Department of Professional Standards in the investigation of such a complaint. During said investigation, however, the City may be required to ask the complainant and witnesses for government issued proof of identification, which may be in the form of a passport or matricula consular.

Section 12. This Ordinance shall not create or form the basis of any claim for liability on the part of the City in anyway, by any person, and that reliance by any person or party on any provision herein contained is at their own risk, at all times. The exclusive remedy for violation of this Ordinance shall be through the Calumet City Department of Professional Standards for review under such applicable procedures for officers and employees under regulations including, but not limited to, personnel rules, union contracts or any other City or department rule, order, policy or regulation.

Section 13. This Ordinance, and its parts, are declared to be severable and any section, clause, provision, or portion of this Ordinance that is declared invalid shall not effect the validity of any other provision of this Ordinance, which shall remain in full force and effect.

Section 14. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

Section 15. This Ordinance shall be in full force and effect upon its passage, approval and publication as provided by law.
