

PUBLIC NOTICE

The City of Calumet City is requesting statements of qualification from IDOT prequalified engineering firms for Phase II (Plans, Specifications and Estimate) and Phase III (Construction Engineering Services) for the Torrence Avenue Multi-Use Bike Path Installation. Consultants should demonstrate the following:

1. Prior experience with the local agency
2. Phase II prior experience with recently completed Federally Funded Bike Path Installations on State Routes
3. Familiarity with FHWA funding requirements
4. Experience with Cook County Invest In Cook Program

Due date for submittal of qualifications is 3:00 PM January 24, 2018, delivered to the City Clerk's Office, Ms. Nyota T. Figgs, 204 Pulaski Road, Calumet City, Illinois 60409, c/o Mr. Pete Saunders, Community and Economic Development Coordinator.
