Also present were Mayor Jones, City Clerk DR. Nyota Figgs (via zoom), Deputy Clerk Jessica Coffee, Inspectional Service Director Sheryl Tillman, Commissioner Jerico Thomas, Deputy Commissioner Scott Nmah, Deputy Commissioner Zach Qualkinbush, Deputy Commissioner Josh Brown.

Mayor's Report No Report

Presentation by Public Works Commissioner Jerico Thomas Public Works Commissioner Jerico Thomas gave a presentation regarding the Public Works facility and its present state. Commissioner Thomas led the council on a tour of Public Works. Commissioner Thomas pointed out the following issues with the facility which are as follows: a leaking roof, new installation is needed, there are old tools and equipment that can be scrapped, a new lift is needed for the mechanic station. Commissioner Thomas reported on the previous state of the grounds and the changes to date.

Park Harbor Presentation There was a tour of Park Harbor. Director Tillman reported that 103 trailers were removed from Park Harbor and the next steps will be to have Nicor come and remove the Gas lines.

Adjournment Alderman Smith moved to adjourn, seconded by Alderman Tillman at 9:36 a.m.
