Illinois Plumbing License Law

(225 ILCS 320/3) (From Ch. 111, par. 1103)

Sec. 3. (1) All planning and designing of plumbing systems and all plumbing shall be performed only by plumbers licensed under the provisions of this Act hereinafter called "licensed plumbers" and "licensed apprentice plumbers". The inspection of plumbing and plumbing systems shall be done only by the sponsor or his or her agent who shall be an Illinois licensed plumber. Nothing herein contained shall prohibit licensed plumbers or licensed apprentice plumbers under supervision from planning, designing, inspecting, installing, repairing, maintaining, altering or extending building sewers in accordance with this Act. No person who holds a license or certificate of registration under the Illinois Architecture Practice Act of 1989, or the Structural Engineering Practice Act of 1989, or the Professional Engineering Practice Act of 1989 shall be prevented from planning and designing plumbing systems.

(2) Nothing herein contained shall prohibit the owner occupant or lessee occupant of a single family residence, or the owner of a single family residence under construction for his or her occupancy, from planning, installing, altering or repairing the plumbing system of such residence, provided that (i) such plumbing shall comply with the minimum standards for plumbing contained in the Illinois State Plumbing Code, and shall be subject to inspection by the Department or the local governmental unit if it retains a licensed plumber as an inspector; and (ii) such owner, owner occupant or lessee occupant shall not employ other than a plumber licensed pursuant to this Act to assist him or her.
